

Cheesecakes just got fancier ☑ We promise you'll have a dip-pin' good time!

Ingredients

- 1 cup strawberry yogurt
- 1 cup cream cheese (softened)
- Strawberry preserve
- 1x **rocky pecan brittle** (crushed)

Directions

1. Mix yogurt and cream cheese
2. Pour into a small cup, top with jam and pour another layer over
3. Serve with rocky pecan brittle

Other ways you can enjoy it

Have it as a no bake strawberry cheesecake by putting into the fridge for 3 hours

Leah's healthy tips

Have a sweet tooth? Mixing cheesecake and yogurt is a great way to sneak some protein and fibre in! Talk about healthy snacks ☑

Did you know?

There are about 200 little seeds in a strawberry.
